

JOIN THE CLAW CREW FAMILY

Summer Claw Crew is back for another season! We're excited to welcome all athletes, grades K-8, to participate in all that Cheer and Dance Athletics has to offer while being a part of this awesome program. No experience needed. athletes will have the opportunity to learn both Dance and Cheer. Athletes will enjoy training built just for this team, learning and improving their skills in cheer, dance and tumbling! Athletes will learn a choreographed routine and will showcase what has been learned during various performance opportunities that have been scheduled throughout the exciting summer ahead! Our staff is committed to the concept of sportsmanship and team building which is why the "Week of Giving Back" will prove to be a very special time for our Claw Crew. This week will be spent focusing on doing for others and giving back to our community. It is our hope that during this time we will promote life lessons and spreading kindness through your athlete's participation.

We appreciate your interest in our Summer Claw Crew program and look forward to working with your athlete!
